As a dog friendly venue, you want to make sure that your dog is on its best behaviour as you shop.

Therefore we are excited to have well respected and renown dog trainer, Jennifer Segal from **Dog Training that Works**, teaching canine education and etiquette classes in our Town Square, Monday to Thursday evenings from 6pm - 9pm.

Dog Training That Works specializes in teaching practical and applied obedience for the street, park, cottage or shopping centre, anywhere you take your dog. They encourage owners to begin training as early as possible to avoid the most common problems that develop through lack of training or miscommunication. Their trainers use a variety of techniques to teach commands and extinguish unwanted behaviour. *Dog Training That Works* is extremely knowledgeable in different types of training theory, practices and methodology.

Programs vary so call Jennifer at **416.723.0212** for more information and costs or visit **DogTrainingThatWorks.com**.

And while at Shops at Don Mills, don't forget to find the doggie stations located throughout our urban village.

Dogs must be pre-registered and meet all requirements to participate in classes. Please call 416-723-0212 or visit DogTrainingThatWorks.com for details.
